

Sketch:

- 1) $\overline{AB} \perp \overrightarrow{BD}$
- 2) $\overleftrightarrow{MN} \parallel \overline{PQ}$ with midpoint R of \overline{PQ}
- 3) Linear pairs $\angle EFG$ & $\angle GFH$
- 4) Supplementary angles that are not linear pairs $\angle K$ & $\angle L$
- 5) $\angle TUV$ with angle bisector \overrightarrow{UW}
